NOTICE: Before beginning any weight loss program, it is advisable to consult a physician. This is especially important for children, pregnant or lactating women, individuals with chronic kidney problems or insulin-dependent diabetics. A healthy weight-loss program should include a modest calorie intake, a balanced diet and regular physical activity.

AVISO: Es recomendable consultar a su medico antes de usar este producto o cualquier otro programa de control de peso. Lo anterior es importante especialmente en casos de niños, mujeres embarazadas, nodrizas, individuos con problemas renales crónicos o diabetes insulina dependiente. Un programa saludable de perder peso debe incluir una ingesta de calories modesta, un dieta balanceada y habitual actividad física.
